June 23, 1983

Ms. Eloise R. Page  
Deputy Director  
Intelligence Community Staff  
Central Intelligence Agency

Dear Ms. Page:

In response to your letter of June 7th requesting that Mr. Corte of my staff be made available to participate in the Working Group on Machine Assisted Translation of Japanese scientific and technical documents, I am pleased to concur in Mr. Corte's participation on the condition that this will involve no financial commitment from this bureau nor significantly detract from his assigned duties. While Mr. Corte's present position is not connected with US-Japanese scientific affairs, we recognize that the expertise he gained in sponsoring the MIT workshop on U.S. Access to Japanese Scientific and Technical Information is of value to other areas of the government.

Sincerely,

A large, stylized handwritten signature of James L. Malone.
